

Please do not weaken the Wisconsin Do Not Call list rules. If anything, they should be stricter. If I'm not mistaken, most Wisconsinites agree with me because telemarketers were the number one consumer complaint in 2004!

I absolutley hate being solicited in my own home by telemarketers and you have the chance to do something about it. Please make the right move by not allowing Wisconsin's Do Not Call list to be weakened.

Thank you,
